

“The last time I...”

Our fave boys 'fess up some of their funniest moments

Felt star struck...

Zayn proves even huge stars get nervous in front of their idols when he chickened out of meeting Hollywood movie star, Johnny Depp. “I’m a massive fan,” Zayn spills. “I didn’t want to embarrass myself.”

Zayn

Louis

Was shocked by a fan...

Louis and Harry still cringe at the time they were approached by a girl holding a camera. They struck their best poses, until the girl said she just wanted them to take a snap of her and her friend! “We were standing there posing,” he blushes.

Wore girls' clothes...

He may have been little at the time, but **Liam** says his sisters used to dress him up. “They tried to influence my fashion a bit. It may have involved a heel or two,” he confesses.

Harry

Looked really silly...

Last Christmas, **Harry** arrived at check-in for a flight to New York... without his passport! He had to send someone to pick it up and wait eight hours for another flight! Oops.

Ate something nasty...

‘Nibbly **Niall**’ normally loves his food, but he felt so sick after tasting an Australian ‘delicacy’ live on TV, that he spat it straight out! “I can clearly say ‘Vegemite’ is horrible,” he giggles.

Niall
